ST. PETER'S EPISCOPAL CHURCH. -Rev. H. L. Foote, Pastor. Services this morning and evening.

PRESETTERIAN CHURCH. - Rev. Josiah McClain will preach in the Presbyterian church this morning and evening, at the usual hours.

M. E. CHURCH .- J. D. Hammond, Pastor. Services to-morrow at 11 A. M., and 7 P. M. Sabbath School at 2 P. M. Seats free. All are invited. Subject of evening discourse: "The Elements of a True Manhood."

According to advertisement the Board of County Commissioners met yesterday forenoon, to open the proposals for the care of the county poor during the next year. The contract was awarded to N. Soderberg. The bids for medical treatment and medicines for the indigent sick in the county during the same time were examined and the contract was awarded to Dr. Waters. Certain bills were presented and allowed, and instructions relative to delinquent taxes were ordered. After some other minor matters were attended to the Board adjourned until a week from to-morrow.

When a thaw occurs the Carson and Truckee rivers are likely to be exceedingly high, and thus the wood trade will be materially benefitted. Then too the water will be beneficial to the crops, and thus the farmers look favorably into the future. Everywhere the papers are rejoiced at the storm, and while it may inconvenience the people now, it is likely to redound to everybody's interest in the end.

The Gold Hill News has the following: "C. B. Sessions, the gentlemanly and efficient Deputy County Clerk, is about to quit his present position for a place in the County Recorder's office. It will be hard to find any one who can take Mr. Session's place, but Mr. McFarland has no van opportunity to make one of the seventy-five, to whom he has promised work, happy.

Superintendent Crawford of the Mint has made another purchase of fine silver from the Bank of Nevada, amounting to 500,000 ounces. It would be much better if the dore could be had, as this would secure the employment of the refinery to its full capacity, but as the bank refuses to sell unparted bars at present the fine silver is the best that can be

Two months ago business in Carson was considered very dull, and everybody was awaiting the opening of the Legislature to cause a revival of the same. The Legislators came, settled with their friends in various parts of the town, and the work of the session was actively commenced. Almost one-half of the 60 days is now passed, the seventy-five or one hundred members and attaches have been drawing their per diem every week, but the storekeepers affirm that the expected business revival has not yet taken place. In fact on Carson street it is said there is less money now in circulation than for a long time in the past. If this statement be true, it is probable that the unsettled state of the stock market has had much to do in determining the general result, for so long as the dealer's future is in doubt his custom is not likely to augment largely the business man's wealth. Then, too, while the citizens themselves have not been making any extravagant outlays, the Legislators of this session seem disposed to husband their returns and not spend so largely in Carson as their predecessors in former years. Formerly a member was lucky if he left the Capital without any money at all, provided he was free from debt, but now his sojourn here is considered his harvest time of the year, and in consequence no more money is expended than is absolutely requisite for the necessaries of everyday life. This is a good thing for the Legislator, but a bad thing for the business men of

ARRANGEMENTS FOR THE FUNERAL OF WM. PATTERSON.-The arrangements for the funeral of Wm. Patterson at noon are as follows: Mr. John Wagner is appointed Marshal of the procession. A meeting of Carson Lodge No. 4, I. O. O. F., will be held at their hall at 10:30 A. M. At 11:45 an escort will be sent by this Lodge to the residence of Wm. Musgrove, where the remains are, and from thence the same will be conducted to the M. E. Church. The other Odd Fellows will here meet the escort and accompany the same into the church. This is the arrangement made by the Odd Fellows and those of other societies will be in accordance with the same. The Marshals of each body intending to take part in the exercises will consult Mr. Wagner relative to the occasion, so that the arrangements may be perfected in season. After the religious exercises in the church shall have been concluded, the procession will move to the I. O. O. F. burial ground, where the burial ceremonies of the order will be performed. Friends and acquaintances vited to be present.

effected.

Two accidents of a somewhat serious nature occurred late Friday evening on the railroad. A man by the name of Eichelberger in attempting to get off the train before it had stopped, slipped on the ice and in his fall his head was severely bruised. He was at once taken in charge and cared for, and yesterday was as well as could be expected under the cir-cumstances. The other unfortunate was a brakeman by the name of Mc-Donald, who somehow or other got jammed between two cars, and was seriously injured. He, too, was cared for, and medical attendance was obtained. In the way of jumping on or off trains at present, there is great danger to all who attempt it, as the ice is almost everywhere found, and a misstep is often the price of a life. In England the authorities fine a man forty shillings for attempting to get on or off a train while in motion, and a similar law in this country would save a great many human lives every year.

Hugh S. O'Reilly and his wife have brought suit against the bonanza firm for five hundred shares of Consolidated Virginia stock. The complainants say they were swindled out of this stock, but w'll settle the matter for one hundred and fifty thousand dollars. The suit is likely to be one of interest.

The Chronicle has it that Assemblyman Moore of Elko will on Monday be brought before the bar of the House to authenticate his assertion in debate on Friday that a mem ber of the Assembly had been offered \$100 to absent himself when the voteon the State Prison bill was to be taken.

Norice.-The County and City officers will meet this morning at 11:30, at the county building, for the purpose of attending the funeral of Ex-District Attorney Patterson. Conveyances will be provided.

S. T. Swift, Marshal. The Mexican Veterans are request ed to assemble at the Governor's office in the Capitol this morning,

for the purpose of attending the funeral of Ex-District Attorney Pat-M. E. CHURGH.-In consequence of the funeral at 12 o'clock, their will

be no service at 11 o'clock in the Methodist Church to-morrow. Service in the evening as usual.

Duncan Custer was yesterday fined in the Justice Court in the sum of \$27.75 for disturbing the peace on the previous evening.

#### TELEGRAPHIC BREVITIES.

Governor Haves, referring to the passage of the compromise bill in the Senate, is reported to have said: "I want it distinctly understood that I do not desire to influence the action of Congress one way or the other in the matter of the electoral bill, or any other matter relating to the Presidential election. The whole matter is in the hands of Congress, and I shall be content with its action."

Ex-Governor Kellogg and United States Marshal Pitkin had an interview with the President on Friday relative to the political situation in Louisiana.

The Pennsylvania Legislature has adopted a resolution relative to the Presidential question, as follows: That the vote cast for authorized Electors for President and Vice President of the United States indicates the election of Rutherford B. Hayes and William A. Wheeler to those offices respectively, and they of right ought to be inaugurated, at the national capital on the ensuing 4th of March by the constitutional authorit. c.

The Coroner's inquest on the Ashtabula disaster is still progressing, and the statements of some of the witnesses to the disaster are graphic in the extreme. The verdict of the jury will be given in the near future.

The election for United States Senators in West Virginia has taken place. H.D. Davis has been elected for the long term and F. Hereford for the short term. Ex-Governor Haines of New Jersey is Carson, and a compromise between dead. He was 73 years of age, and in the two should be at an early day former days figured very largely in the politics of his State.

Affairs in Eastern Europe are becoming more complicated. Midhat Pasha has addressed a conciliatory dispatch to the Princes of Servia and Montenegro. proposing a direct understanding with the Porte before the conclusion of the armistice. The Russians propose to protect the inhabitants of the countries through which they may pass.

The electoral compromise bill will speedily be presented to the President. and already speculation as to the members of the Commission are in order. There is but little doubt but that the signature of the President will be immedistely given, and then the bill will come in force. The Republicans and Democrats will both caucus on the members to represent them, and on Tuesday the four Associated Justices already designated will select the fifth. The Herald congratulates Congress on its statesmanlike action, Grant on his emancipation from party prejudice, the Joint Committee and especially Conkling on the result of their labors, and finally Tilden and Hayes on the certainty that the title of the next President will be accepted as valid.

The Rev. Mr. Foote of St. Peter's Church will this evening begin s course of sermons on Christian Apologetics, or subjects relating to the Evidences and Defense of the Christian Religion against common objections. The subject of the first of these Lec-tures will be 'Christianity founded and built upon Facts.' These Lectures will be delivered upon Sunday evenings for several weeks to come.

The Church and Jones sociable last night was well attended; also the one at Turn Verein Hall. If stocks are down the people are socially inclined, and amusements of every kind are popular and well patronized.

The address of Mr. C. S. Mott delivered at the installation of the officers of St. John's Lodge No. 13 F. & A. M.,, at Turn-Verein Hall, Dec. 27, has been published. The address is an eloquent and instructive one.
